Oppsummering:

Kontorarbeidsplasser:

vist 126 stk på planer

Kommer an på konfigurasjon av plan og om en velger celle eller landskap, samt ønsker antall møterom og sosiale soner etc.

Restaurant på kaiplan:

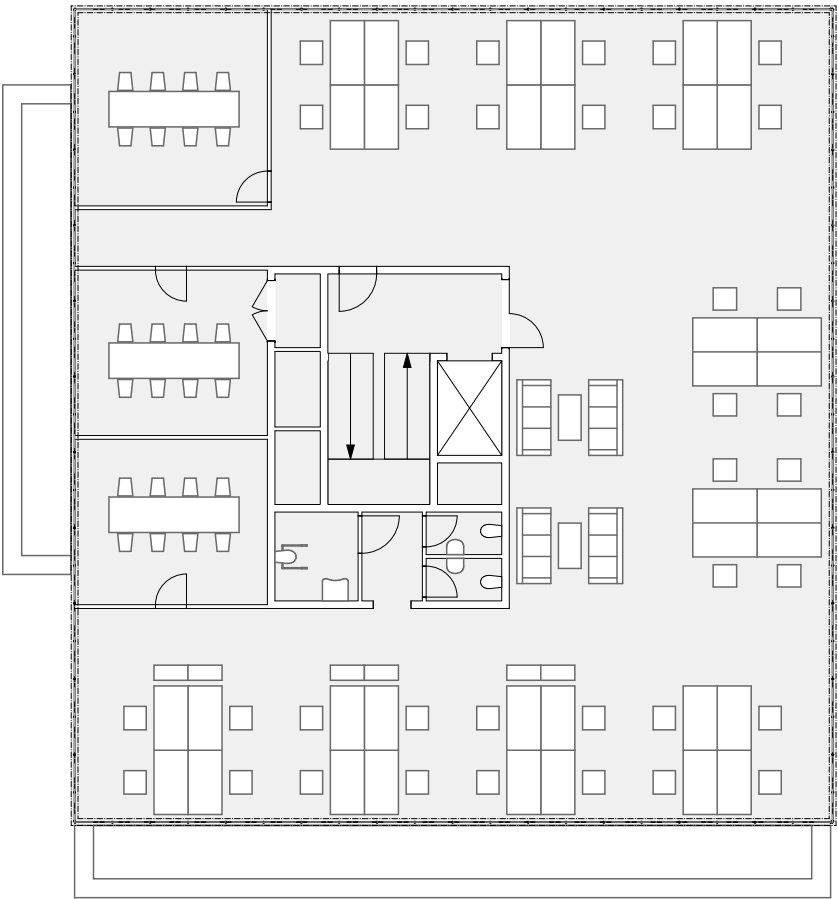

Et robust lokale med særlig karakter midt i byens innseiling !

Kantine i 5.etg:

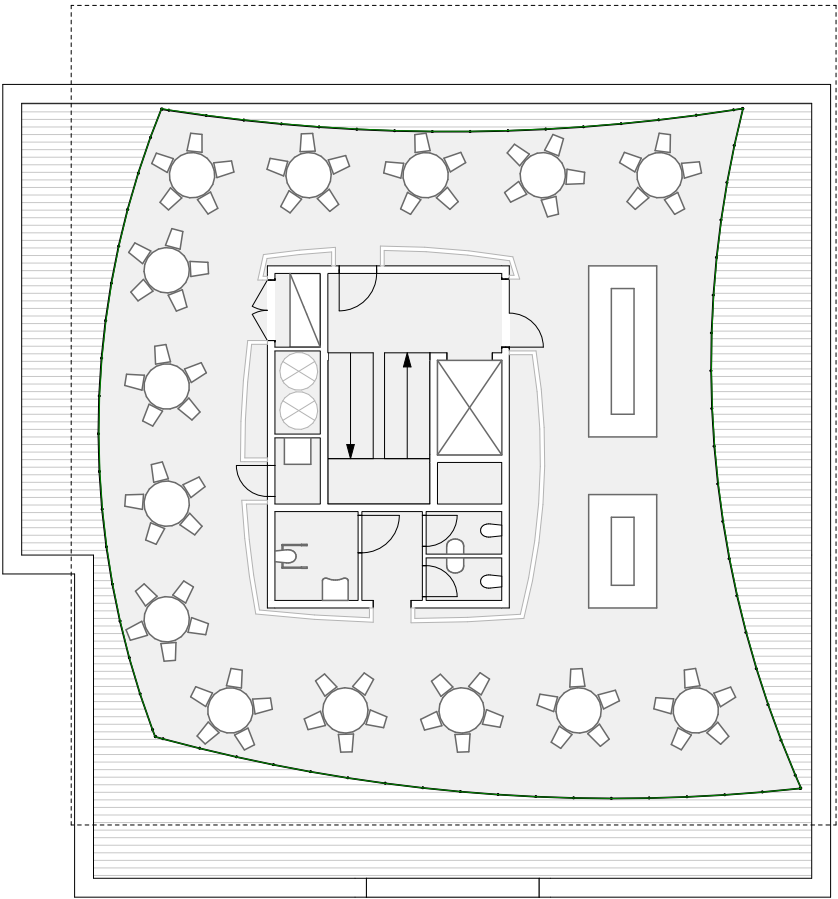

Et grep som hever eksklusiviteten. Dette arealet blir et viktig areal som også kan benyttes til konferanse og representasjon.

Kontorene i 6.etg:

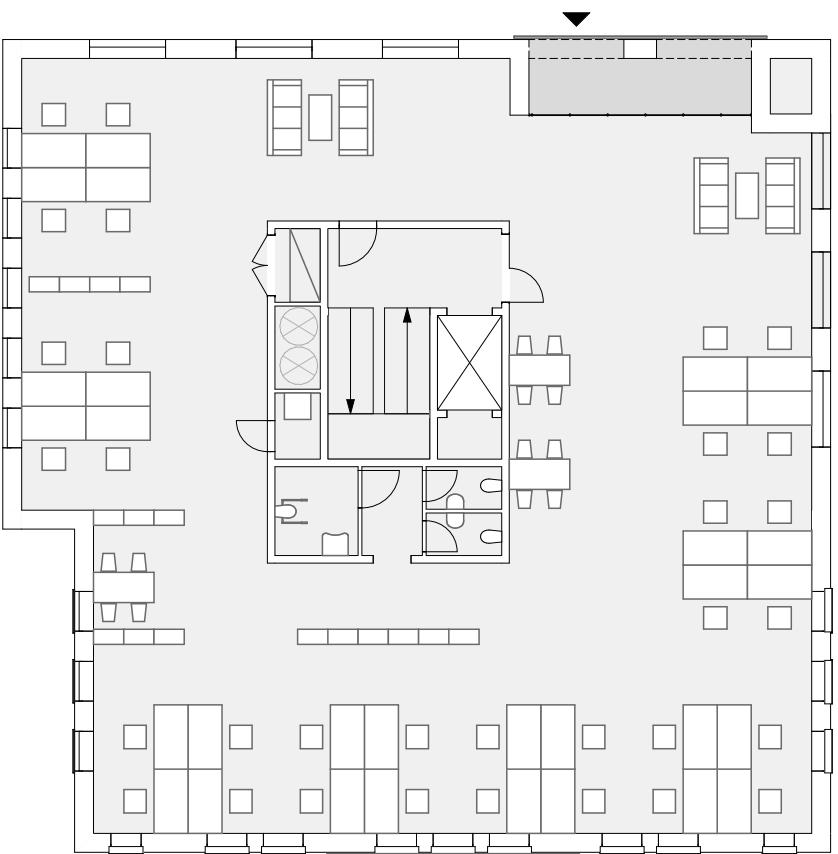

Utleiearealer det ikke finnes maken til! Utsikt og oversikt og ikke minst synlighet!
